

CUT FLOWER CSA ENROLLMENT FORM

How it works:

CSA stands for Community Supported Agriculture. With a CSA, you receive a reflection of what's in the field and a share of what we harvest. Every week you can expect something different! When conditions are fair, you may receive more in your share than when they are not. We want you to be happy, so we will always make sure that you receive good value for your investment.

Your advance purchase of shares in the harvest helps us cover upcoming costs, and allows us to focus on the work involved in growing. With that, you share in the rewards and the risks involved in farming, and in return for your commitment, are rewarded with a bountiful share of blooms. CSA members also gain satisfaction from the knowledge that they are supporting a local farm, joining a community effort, and in the process, becoming stewards of the land.

Start Dates:

Summer CSA: 10 weeks – Mid July – Mid September

Due to weather and other factors, the first pickup date may vary. We will let you know no less than one week before the first pickup that the CSA is ready to roll!

Pick Up Location:

Snow Farm: Friday between 3 and 5pm - 16 South Beech Plain Road, Sandisfield, MA

CSA is a partnership between farmers and members, and there are some expectations for our CSA members. By signing this form and joining our CSA, you agree to and understand the following:

Welcome to the Snow Farm Family!

In order to best communicate with you, please provide us with the following contact information.

Member Name: _____

Email Address: _____

Phone Number: _____

Mailing Address: _____

10 Week Summer Bouquet Share - \$250.00 + \$15.63 (tax) = \$265.63

Bouquet shares are lush, pre-arranged, hand-tied designs that come wrapped in brown paper wrap for easy transport.
